

True North Sports + Entertainment is looking for an energetic and motivated Audio Video Technician to join our team!

The **Technician, Audio Video & Broadcast Services** is responsible to perform a wide variety of duties that will support the audio, video, and broadcast needs for the venues and live events.

What to be excited for in this role:

- A diverse hands-on role preparing, setting up, testing, and tearing down audio/video & broadcast equipment.
- Opportunity to troubleshoot audio/video & broadcast systems as needed.
- Opportunity to support the audio/video & broadcast needs for internal/external meetings, live events, and Winnipeg Jets and Manitoba Moose home games as assigned.
- Be able to work on a team and to learn from experienced industry professionals.

What we need from you:

- Completed education in a relevant program or equivalent combination of education and experience.
- Broadcast training certification or equivalent experience.
- Demonstrated technical ability in setting up and basic repair of audio and video related equipment and systems. Experience in installation and operation of audio video components preferred.
- Ability to read CAD generated prints, building blueprints and riser diagrams.
- Solid grasp of basic electronics/electrical theory – formal instruction is preferred.
- Your commitment as a collaborative participant of the Audio/Video and Broadcast team.
- Must have the ability to:
 - work evenings, weekends and holidays on an as needed basis
 - effectively manage multiple tasks and projects
 - be focused, committed, and adhere to True North's safety regulations
 - work independently and be a contributing asset to the team
 - present ideas/concepts confidently and succinctly

To apply for this position please email your resume and cover letter, including salary expectations (in PDF format as one document) to hr@tnse.com.

Please include **Technician, Audio Video & Broadcast Services** in the subject line.

Closing date: Sunday, March 26, 2017
